Accurate continues to be the leader in ligature resistant solutions that exceed safety ratings and are designed with patient care and staff safety in mind for healing environments.

# Floors + Walls

For behavioral and mental health applications

## Specifying Altro flooring and wall cladding in BMH

The most demanding environments call for floors and walls that can take abuse. We provide a watertight, impervious system, making the Altro solution perfect for wet environments, barrier-free shower rooms, operating rooms and even corridors. Our resilient flooring and impact-resistant wall options not only prevent damage and staining – we have the colors and designs to suit your sense of style.

# CORTECH

FAMILY OWNED. MISSION DRIVEN. AMERICAN MADE.

Cortech USA designs and manufactures durable, molded furniture specifically for Behavioral Health environments. With over 30 years of expertise, our products prioritize safety, dignity, and functionality.

## SEQUOIA™ BED

## SEQUOIA™ NIGHTSTAND

The Sequoia™ Series combines the warmth and aesthetic of wood with the durability of molded construction. Designed for behavioral health environments, it offers a clean, assembled appearance that is ergonomically friendly and easy to maintain in high-risk settings.

Range of Custom Woodgrain Options Available. Patent Pending. Mattress Sold Separately.

## SAFEBIN

The SafeBin is a tamper-resistant waste container designed for behavioral health settings. With a 35 gallon capacity, it's perfect for dining and social areas. It's secure, hygienic design includes a tamper-resistant chute, integrated lock, and easy-to-clean sloped interior.

Available in 12 standard colors and customizable with matching or black tops. Patent Pending.

# We're obsessed with **buildings.**

How they look. How they function. And how they protect the health and safety of the people who use them every day. That's why we make hundreds of architectural products all under one roof and work tirelessly to make sure you and your buildings succeed. Yeah, we are obsessed. But we wouldn't have it any other way.

## **Door + Wall Protection**

Our foundation was built on Door and Wall protection - so we know the industry inside and out. Our in-house experts are here to guide you through the selection process so you're sure to get the right corner guards, kickplates, handrails, wall covering or other wall protection products for your next project.

## **Expansion Joint Systems**

Our Expansion Joint and Fire Barrier Systems are engineered to handle the unique conditions of your building. Find out which product works best for your project: interior and exterior expansion joint systems, foam and compression seals, and cutting-edge fire barrier systems.

## **Privacy Systems**

We cover your facility's most essential privacy needs by making innovative solutions to ensure people feel comfortable. Our cutting-edge cubicle curtain and cubicle track systems are designed to protect health, safety, comfort and privacy for the people in your building.

## **Architectural Signage**

We obsess about creating architectural signage people can rely on. With a variety of design possibilities combined with ADA compliance expertise, we lead the way when it comes to signs.

## **Commercial Window Treatments**

Your window of opportunity for exceptional contract window services has opened and it's brighter than ever! Our team expertly manufactures quality shades to meet your project's specific needs for easier window projects done on time and on budget.

## **Elevator Interiors**

Whether you are outfitting a new cab or renovating an existing one, we provide the highest level of elevator cab expertise and superior products. We've been the global leader in interior architectural products for more than 40 years so rest assured, you can be at ease knowing your elevators can take an impact - and make an impact.

## **Washrooms Systems**

Fortify your washroom against commercial demands! Our Prism™ Solid Surface and customized solutions keep your washrooms clean and sanitary without constant maintenance. See how our shower bases, shower partitions, toilet partitions, and shower walls can help you take back the bath.

Your Partner in Patient Safety

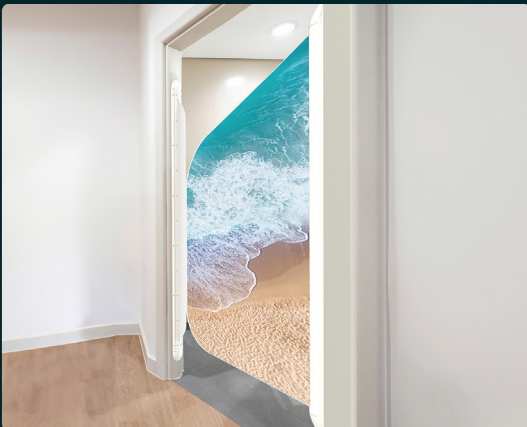

## We're attending BWBR's Behavioral Health Connect!

As Your Partner in Patient Safety, Kingsway Group look forward to connecting with you on May 29 at BWBR's behavioral health conference in Minnesota!

We invite you to explore our latest innovations and discover how we're actively helping behavioral health care providers enhance safety and create better outcomes for patients and staff throughout North America.

## Improving outcomes through innovative design

Our regional Project Consultant for the Midwest US, Matthew Clohesy will be showcasing two of our most innovative solutions at the event, each designed to meet the needs of modern inpatient care environments.

### SHOWER Ensuite Door System

*Delivering third-party verified strength & ligature-resistance to safely preserve patient privacy and dignity in ensuite bathrooms.*
